No separate mandatory or optional redemptions outside of the MBS structure.
Flexible prepayment options available, including yield maintenance and declining prepayment premium.
Principal and interest payments will be based on a monthly schedule in accordance with the terms of the MBS and will flow through the bond trustee for payment to the bondholder. Payments of principal and interest under the MBS are paid in arrears on the 25th of the month based on the prior month's accrual; payment to the bondholder occurs on the following business day.
If there is a single bondholder, and subject to Issuer consent, the bondholder may pursue an option to redeem tax-exempt bonds and hold the MBS directly. For 4% LIHTC transactions, this redemption cannot occur prior to the Placed-in-Service date.
Documented on Fannie Mae loan documents; issuer must utilize the Fannie Mae form Indenture.
Hard subordinate debt (which requires scheduled repayment of principal) is permitted only if provided by a public, quasi-public, or not-for-profit lender and combined debt service coverage cannot fall below 1.05x. Soft subordinate debt is permitted subject to requirements which include capping payments at 75% of available Property cash flow after payment of senior liens and

🔠 LUMENT
